The Students' UNION

The Manchester College | UCEN Manchester

When you enrol at UCEN Manchester, you'll automatically become a member of our Students' Union, which is active at all our campuses.

Our SU is run by our students, for our students, and will help you make your time with us even more personal. It provides fantastic opportunities for you to meet new people and get involved in a wide range of activities. Our SU is also available to provide any support you might need to make your time here even more enjoyable.

GET INVOLVED!

SOCIETIES

Whatever your hobbies or interests, our SU will help you find a society (or societies) that is right for you. As a member of one (or more) of our societies, you will get the chance to meet people with similar interests or get involved in something you've never tried before.

Our societies are wide-ranging and diverse. Over the years they've included everything from our African Caribbean Society to Creative Networking; Creative Writing to Film; Social to Debating; Enterprise to Football; and Gaming to Knitting and LGBTQ+.

But if we don't have a society that appeals to you, you can always set-up your own by getting in touch with our SU.

If you have a great idea for a new society or want to know more, email our SU at: SU@ucenmcr.tmc.ac.uk

REPRESENTATION

Student representatives play a pivotal role in making sure that our student voice is heard and that all our students continue to have a great experience. Each student rep is democratically elected by their class and trained to represent students in their specific course area. All student reps work in partnership with staff at UCEN Manchester to improve the student experience. This covers everything from teaching and learning, to assessment and feedback, and the academic support provided by tutors. Student reps also feedback on resources, facilities and learning opportunities.

CAMPAIGNS

Our SU play an important role in raising awareness and driving change around issues that matter to you. If you feel strongly about something, our SU will support you to deliver any campaigns that you may wish to run. They'll provide help every step of the way, from your initial idea all the way through to achieving your aims and objectives.

NUS

Our SU is an affiliated member of the National Union of Students (NUS), which represents the interests of over seven million students (including UCEN Manchester students) at a national level.

Being a member of the NUS also offers practical benefits, like the TOTUM card - the UK's biggest and most widely known student discount card. With prices starting at £12 a year, a TOTUM card is a great investment and will help you save money all year round.

There is nothing more empowering than having a voice. I found and grew so much confidence in being a student rep. When working towards your future career, you deserve to be on the course that is right for you. Being a student rep is a great way of working with others and making your course more efficient for yourself and the other students."

HOW TO APPLY

FULL TIME COURSES STARTING IN SEPTEMBER 2021 AND JANUARY 2022

If you are applying for a full-time Honours Degree, Foundation Degree (including those with a preparatory year), Higher National Certificate or Diploma, you will need to apply via UCAS. You can search for a course on our website ucenmanchester.ac.uk, or through UCAS courses. Please note that not all of our courses have both a September and January start date. Please check the website for further details.

You can start your application on UCAS apply – you will need to register and create a user account. This means you can complete your application at your own speed and track your application after you have submitted it.

Remember, you can only submit one UCAS application per cycle, so all the courses you want to apply for have to be on the same application. There are some helpful resources on the UCAS website if you encounter any problems.

If you are applying to UCEN Manchester, you will need our institution code 'M10' for when you complete your UCAS application.

COSTS TO APPLY

To apply in 2021/22, the application fee is:

- £18 if you are applying to just one course*;
- or
- £24 for multiple courses (and for late applications sent after 30 June).

The costs for the 2021/22 academic year may differ, so please visit the UCAS website: www.ucas.com for full details.

YOUR UCAS BUZZWORD

If you are currently at school or college, you will need a buzzword from your tutor or careers advisor. This is like a password unique to your school or college that allows you to register your application with UCAS. Your school or college will then add a reference and submit your application.

Your tutor or careers advisor can explain how you apply to UCAS and whether there are any internal deadlines you need to stick to.

DEADLINES FOR APPLYING

Please check the UCAS website www.ucas.com for key application deadlines.

MATURE STUDENTS, OR THOSE NOT CURRENTLY AT SCHOOL OR COLLEGE

UCEN Manchester encourages all applications, including those from people who are returning to education after a time away.

You will still need to apply via UCAS as an independent applicant and write a personal statement, which needs to be between 1,000 and 4,000 characters. This is your opportunity to tell us about any additional skills or experience you may have, as well as why you want to study your chosen course. You can include examples of voluntary or work experience, as well as career aspirations and personal qualities that will help you study.

You will also need to provide details of a referee who can confirm your suitability to study at higher education level.
