

Write a Summary

Summarising your reading helps you to understand and remember what you have read. A summary should be a brief overview of the main points of something. They can be tricky to write at first, but with practise you will be able to summarise texts quickly and effectively.

Give it a go!

Read the 9-step method provided by Enotes on how to write a summary- [How to Write a Summary - eNotes.com](https://www.enotes.com/how-to-write-a-summary)

Now choose any free journal article by searching the subject you will be studying in Google Scholar at <https://scholar.google.com>

Read the first and second paragraphs of the introduction and use the 9step method to write a summary of the text.
