YOUR PERSONAL JOURNEY STARTS HERE

FILM AND TV PRODUCTION
UNDERGRADUATE COURSES
2020/21 ENTRY
Manchester Film School is the only dedicated film school in the North West and has been establishing itself as a centre of excellence over the last 11 years.

We are not an ordinary university, we are a dedicated Film School where you come to learn and make films for three years. Our students have gone on to work on everything from the Bond Films to Harry Potter and worked with stars from Angelina Jolie to Brad Pitt.

In the first year you will learn how to handle all the key roles in the film industry, the jobs you see in feature film credits. In the second year you choose one to specialise in and work on a variety of projects both in our dedicated 3000sq ft film studio and on location. In the third year you ‘hone your craft’: devise your own project, or undertake work experience, while all the time working in your chosen specialism.

The course is intensely practical and you will spend the majority of your time actually making films, often working as part of a crew of 35 - exactly how it is done in the industry.

We are looking for dedicated hardworking students who want to succeed in the Film and High End TV industry (HETV). You will have passion and determination and you may have previous experience, but this is not essential - we will teach you what you need to know.

We welcome applicants of all ages from all backgrounds. The Film and HETV industry is very broad and includes jobs in Art and Design, Locations, Logistics, Computing, Props, Construction, management and accounting, as well as Writing, Direction, Camera, Lighting and Sound.

And it’s not all fiction. We encourage students to work on high end factual productions as well, working on ground breaking news and documentary programmes.

Film and HETV has never been more buoyant, with increasing input from Netflix and Amazon there has never been a better time to enter the industry, but it is now more important than ever to ensure that you have the right skills at the right standard - this is what Manchester Film School offers.

PERSONAL EXPERIENCE

What is your background?
I completed a degree in Film and Television in 1983 at Sheffield Hallam, before working in independent film and then teaching Video and Audio-visual at Openshaw Technical College. I started Manchester Film School with the help of experienced freelancer Rick Griffiths in 2006.

Why is Manchester Film School the perfect choice for film students?
Our emphasis is on large scale industry-standard crews, so students get the experience and confidence to do the job out in the industry.

When our students go out on shoots or placements, I always ask what it was like and they say: ‘It was just like being here’. These are big high-end productions they’re working on, such as James Bond and Peaky Blinders – and they’re all totally prepared and ready.

One student worked in the production and design department on an industry set, on placement. I asked him: ‘Was it scary?’ and he said: “No, the only scary bit was sitting in the canteen eating breakfast one morning and someone said: ‘Do you mind if I sit here?’ He turned around and it was Dame Judy Dench!”

What can students expect?
At Manchester Film School, our focus is on gaining practical experience, so we have a shooting schedule of around 40 films a year. Students will prepare and develop all the productions, which range from just a couple of students creating a joint project to multiple classes working on a three month, funded project.

All our productions are industry standard practice, and absolutely every aspect is done as it is in industry, for example, a freelancer will come in to run the sound department.

What would you say to anyone considering applying?
We offer intensely practical courses which will train students for specific roles in the film and TV industry.

In the first year, students get intensive technical instructions from freelancers and then choose a specialism. In the second year, they develop expertise in that specialism and by the third year, students head up a department and become responsible for the second years of that same specialism. This mentor system is written into the course structure.

What makes you proud about running the course?
I get so proud when I see a credit! I was at Manchester’s Home cinema recently and one of my students appeared on the credits. I jumped straight up and shouted: ‘Look, look, look!’
Join the Manchester Film School and you will be rubbing shoulders with award-winning students whose accolades include seven Royal Television Society North West Student Awards, 16 nominations in the last four years, and a winner of the national award for Best Cinematography in 2016. From camera operators to production editors, our courses will help you develop your passion and pursue your chosen career.

* 2017 DLHE data
As a student at UCEN Manchester, you will automatically become a member of the Students’ Union (SU). This gives you the opportunity to be part of an organisation run by students, for students. Each year, our students elect a President and a team of Officers to lead the SU and represent the student body. The SU works in partnership with UCEN Manchester to provide a wide range of activities and opportunities to enhance the experience of students.

GET INVOLVED!

SOCIETIES
Meet people with similar interests, or get involved in something completely new, by joining one of our Societies. There have been a number created, including the African Caribbean Society; Creative Writing; Creative Networking; Debating; Enterprise; Film; Football; Gaming; Knitting and LGBTQ+ societies. You can always get in touch with the SU to set up your own society if there is something else that interests you! If you have a great idea or want to know more, email us at: SU@ucenmcr.tmc.ac.uk

REPRESENTATION
Do you want to shape the direction of the SU? You might want to think about becoming a student representative so you can vote in elections, contact your union with suggestions for improvements to the student experience, or even become an elected SU Officer.

The role of a student rep is to proactively seek and represent the views, questions and experiences of your academic peers to staff. Student reps work in collaboration with UCEN Manchester to improve the student academic experience and each student rep is responsible for representing students in a specified course group.

Student reps share views on a wide variety of issues relating to their course from learning and teaching methods; research; assessment; support provided by personal tutors or supervisors; learning and research; facilities and academic events.

NUS
The SU is an affiliated member of the National Union of Students (NUS). The main job of the NUS is to represent the interests of over seven million students (including you) at a national level, especially to the UK Government. Just as we represent you at UCEN Manchester, the NUS represents you in national conversations on issues which concern and affect students.

The NUS also runs nationwide and regional campaigns on subjects that matter to students, like the cost of studying, changes to education or tackling hate crime. Every year around 1,000 elected students and officers, including representatives from UCEN Manchester, gather for an annual conference to decide the direction and leadership of the NUS for the next year.

Being a member of the NUS also offers practical benefits, like the Totum card - the UK’s biggest and most widely known student discount card. You can support your SU by purchasing your Totum card from £12 per year – not a bad investment for something that will save you money all year!
At UCEN Manchester we offer some of the most competitive tuition fees in the UK. Our tuition fees are reviewed annually. The table below shows our 2019/20 tuition fees. Our 2020/21 tuition fees will be published online. Please visit ucenmcr.tmc.ac.uk for the latest information.

UCEN Manchester also offer a range of discretionary bursaries and funds to help break down barriers that may prevent you from committing to study and reaching your potential.

**UCEN MANCHSTER BURSARY**

The UCEN Manchester Bursary includes consideration for financial support in a variety of ways, from progression, living costs and hardship issues. If you are struggling with day-to-day finance, make an appointment with one of our ‘Future U’ Careers, Employability and Welfare Advisors who will work with you to maximise your income. We are here to guide you and offer support and, together, we can look at ways to improve your situation.

**AM I ELIGIBLE FOR FUNDING?**

Your eligibility for student funding will depend on your nationality, residency, previous study and the type of course you are applying for. Depending on your personal circumstances, you may be able to access extra funding, such as childcare allowance.

Further details of these additional funds can be found on our website: ucenmcr.tmc.ac.uk

HOW TO APPLY

Applying for a course at UCEN Manchester is simple. The process depends on whether the course you are applying for is full or part-time, so we have put together everything you need to know below.

FULL-TIME COURSES STARTING IN SEPTEMBER 2020 AND JANUARY 2021

If you are applying for a full-time Honours Degree, Foundation Degree (including those with a preparatory year), Higher National Certificate or Diploma, you will need to apply via UCAS. You can search for a course on our website ucenmcr.tmc.ac.uk, or through UCAS courses. Please note that not all of our courses have both a September and January start date. Please check the website for further details.

You can start your application on UCAS apply – you will need to register and create a user account. This means you can complete your application at your own speed and track your application after you have submitted it.

Remember, you can only submit one UCAS application per cycle, so all the courses you want to apply for have to be on the same application. There are some helpful resources on the UCAS website if you encounter any problems.

If you are applying to UCEN Manchester, you will need our institution code ‘M10’ for when you complete your UCAS application.

COSTS TO APPLY

To apply in 2020/21, the application fee is:
• £18 if you are applying to just one course*;
• or
• £24 for multiple courses (and for late applications sent after 30 June).

The costs for the 2020/21 academic year may differ, so please visit the UCAS website: www.ucas.com for full details.

YOUR UCAS BUZZWORD

If you are currently at school or college, you will need a buzzword from your tutor or careers advisor. This is like a password unique to your school or college that allows you to register your application with UCAS. Your school or college will then add a reference and submit your application.

Your tutor or careers advisor can explain how you apply to UCAS and whether there are any internal deadlines you need to stick to.

DEADLINES FOR APPLYING

Please check the UCAS website: www.ucas.com for key application deadlines.

MATURE STUDENTS, OR THOSE NOT CURRENTLY AT SCHOOL OR COLLEGE

UCEN Manchester encourages all applications, including those from people who are returning to education after a time away.

You will still need to apply via UCAS as an independent applicant and write a personal statement, which needs to be between 1,000 and 4,000 characters. This is your opportunity to tell us about any additional skills or experience you may have, as well as why you want to study your chosen course. You can include examples of voluntary or work experience, as well as career aspirations and personal qualities that will help you study.

You will also need to provide details of a referee who can confirm your suitability to study at higher education level.

PART-TIME COURSES STARTING IN SEPTEMBER 2020 AND JANUARY 2021

If you are applying for an Honours Degree, Foundation Degree (including those with a preparatory year), Higher National Certificate or Diploma, you will need to apply directly to UCEN Manchester.
